Current mainstream marketplace platforms (facebook, nextdoor, offerup etc):

- **Buying/selling are inconvenient**
  - Scheduling meetup time and location is required
- **Meeting up with strangers is unsafe**
  - Unknown identity of buyers and sellers
- **Less accessible for students**
  - Some require extensive verification
  - Students are less familiar and skeptical

# Our Solutions

**Reduce  
inconvenience**

Every item is delivered  
to your doorstep!

**Verified  
students only**

Students must verify their  
student email addresses  
to use the service

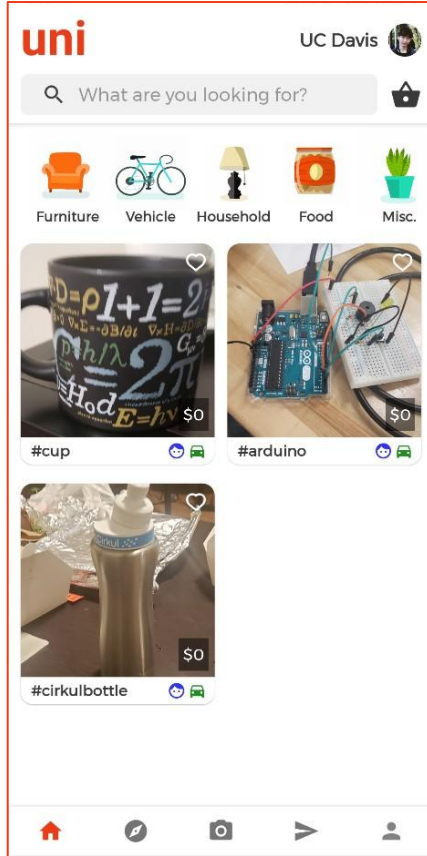

**Student-friendly  
and welcoming**

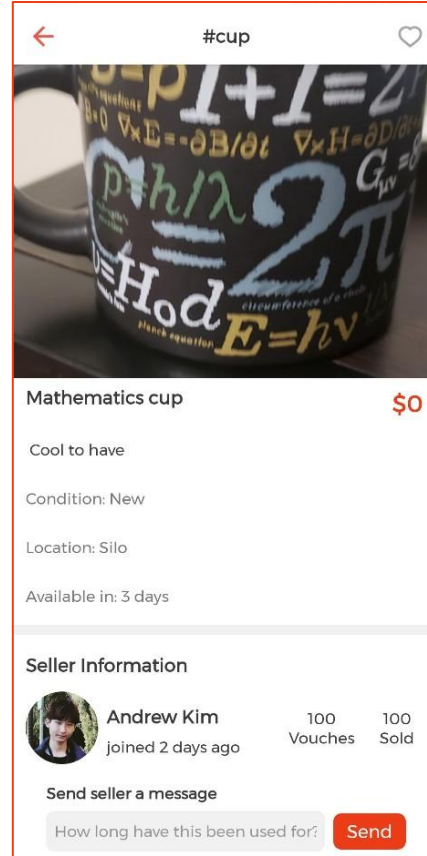

Welcomes ALL students  
to the 2nd hand market
